

A short guide to eBooks

(with a focus on Kindle, Calibre and z-lib.org)

What is an eBook?

- A digital version of a book
- Can sometimes contain images as well as text
- Supports features such as dictionary lookup, bookmarks and searchable text (device dependant)
- Comes in many formats, including .mobi, .epub, .pdf and more.

What is an eReader?

- A device used for reading and managing eBooks
- Has a special 'electronic ink' screen, different from a regular smart phone or tablet
- Much easier to read in any light conditions, much longer battery life
- May support various other features, such as wi-fi, touchscreen, backlight etc.
- However, eBooks can often be read on any device, not just eReaders

Using z-lib.org to find eBooks

- First, go to z-lib.org in your web browser
- Click 'books' (you don't need to sign up or sign in)
- Search for books by title, author, ISBN etc.
- Or click 'full text search' to search for words or phrases within the book
- Results show the cover, title and file type
- Scroll to find the result you want, and click on the title
- Click 'download' to download the book!
- You can read it on your PC or transfer to your mobile device/eReader (explained next)

HIS DARK MATERIALS IS NOW AN HBO ORIGINAL SERIES STARRING DAFNE KEEN, RUTH WILSON, JAMES McAVOY, AND LIN-MANUEL MIRANDA!The Golden Compass, The Subtle Knife, and The Amber Spyglass are available together in one volume perfect for any fan or newcomer to this modern fantasy classic series that has graced the New York Times, Wall Street Journal, San Francisco Chronicle, Book Sense, and Publishers Weekly bestseller lists. These thrilling adventures tell the story of Lyra and Will—two ordinary children on a perilous journey through shimmering haunted otherworlds. They will meet witches and armored bears, fallen angels and soul-eating specters. And in the end, the fate of both the living—and the dead—will rely on them. Phillip Pullman's spellbinding His Dark Materials trilogy has captivated readers for over twenty years and won acclaim at every turn. It will have you questioning everything you know about your world and wondering what really lies just out of reach. Honors and

Using Calibre to manage your eBook library

- Calibre is an eBook manager, meaning it looks after your eBook library on your PC
- It can organise, convert and transfer eBooks between devices
- To download Calibre, go to calibre-ebook.com, click 'download Calibre' and choose your operating system (e.g. Windows or MacOS)
- Run the installer and follow instructions to set up (use the default options if you're not sure)
- If you have a Kindle device, enter the kindle email address when prompted during setup
- Run the software from the desktop shortcut or the start menu

Adding eBooks to your Calibre library

- From the top toolbar, click 'Add Books'
- Select which eBook or eBooks you want to add from your hard drive (they might be in your downloads folder if you acquired them from z-lib)
- Click 'Open', the books should appear in the Calibre library view
- Double click on a book title to read it on your PC
